NOTICE

Please be advised that at 12:45 p.m. today (July 22, 2009) a woman was attacked by a fox in the area of N. Main & Oak Streets. **The fox is still at large.** Another incident occurred July 20, 2009 on Martland Ave. where a child was attacked. If you should see any foxes in this vicinity contact Brockton Animal Control (508-580-7835) or Brockton Police (508-941-0200).

If you are approached by a fox call for help, create loud noise if possible by banging on something and yelling at the animal (this may cause the animal to flee). Try to put an object in your hands like a long stick or pole to keep between you and the animal.
